# VARIETY QUALITY STYLE SIMPLIFIED

We've paired the most sought-after window treatment styles with our extensive product library, featuring thousands of exclusive fabrics and trimmings from Fabricut, Stroheim, Vervain, S. Harris and Trend.

New additions to our Finished Product offering ensure you get the styles you need with the detail, quality and speed Fabricut is known for.

Create a quote or place an order with ease through our simplified, user-friendly online platform.

Our experienced Finished Product Customer Service Representatives are available by phone or email to help with any questions that you may have.

3-4 week turnaround times help you meet your design deadlines without compromising quality.

# SIDE PANELS & DRAPERY

Featuring the most popular drapery styles, constructed with exceptional quality. Our per-width pricing structure includes labor and standard premium sateen lining.
