

VERN YIP

PERFORMANCE

Vern Yip's collaboration with Trend is designed to help people live with their fabrics instead of around them. Perfect for furry friends and humans alike! Built with versatility in mind and strengthened with stain-resistant technology, this collection of fabrics makes life easier for a perfect retreat at home.

sophisticated and bold

Featuring a sophisticated neutral color palette with splashes of red and blue, this collection stands out with bold, intricate patterns and textured plains. Vern's use of florals, stripes, animal print, and toile are all eye-catching, while the textured plains add interest and depth.
