The Alustra® Collection of Woven Textures®

INSPIRED BY DESIGN™

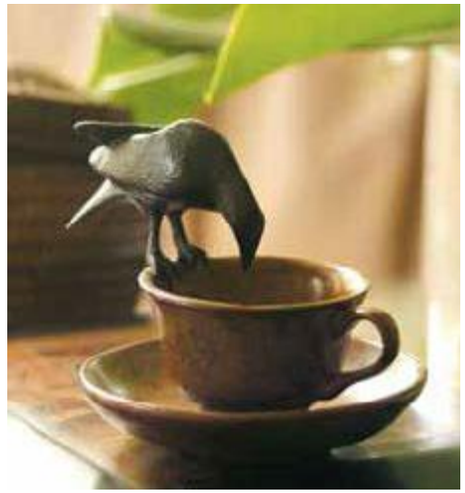
The joy of great design.

At Hunter Douglas, we believe your window fashions should bring you the greatest possible enjoyment, adding beauty and style to your home. That's why we're passionately driven to design our products with a refined sense of style and industry-leading innovation. So when you choose the Hunter Douglas brand, you can be sure high quality, beautiful window fashions decorate your home for many years to come. Everything is designed to be seen, touched, experienced. Loved.

HunterDouglas

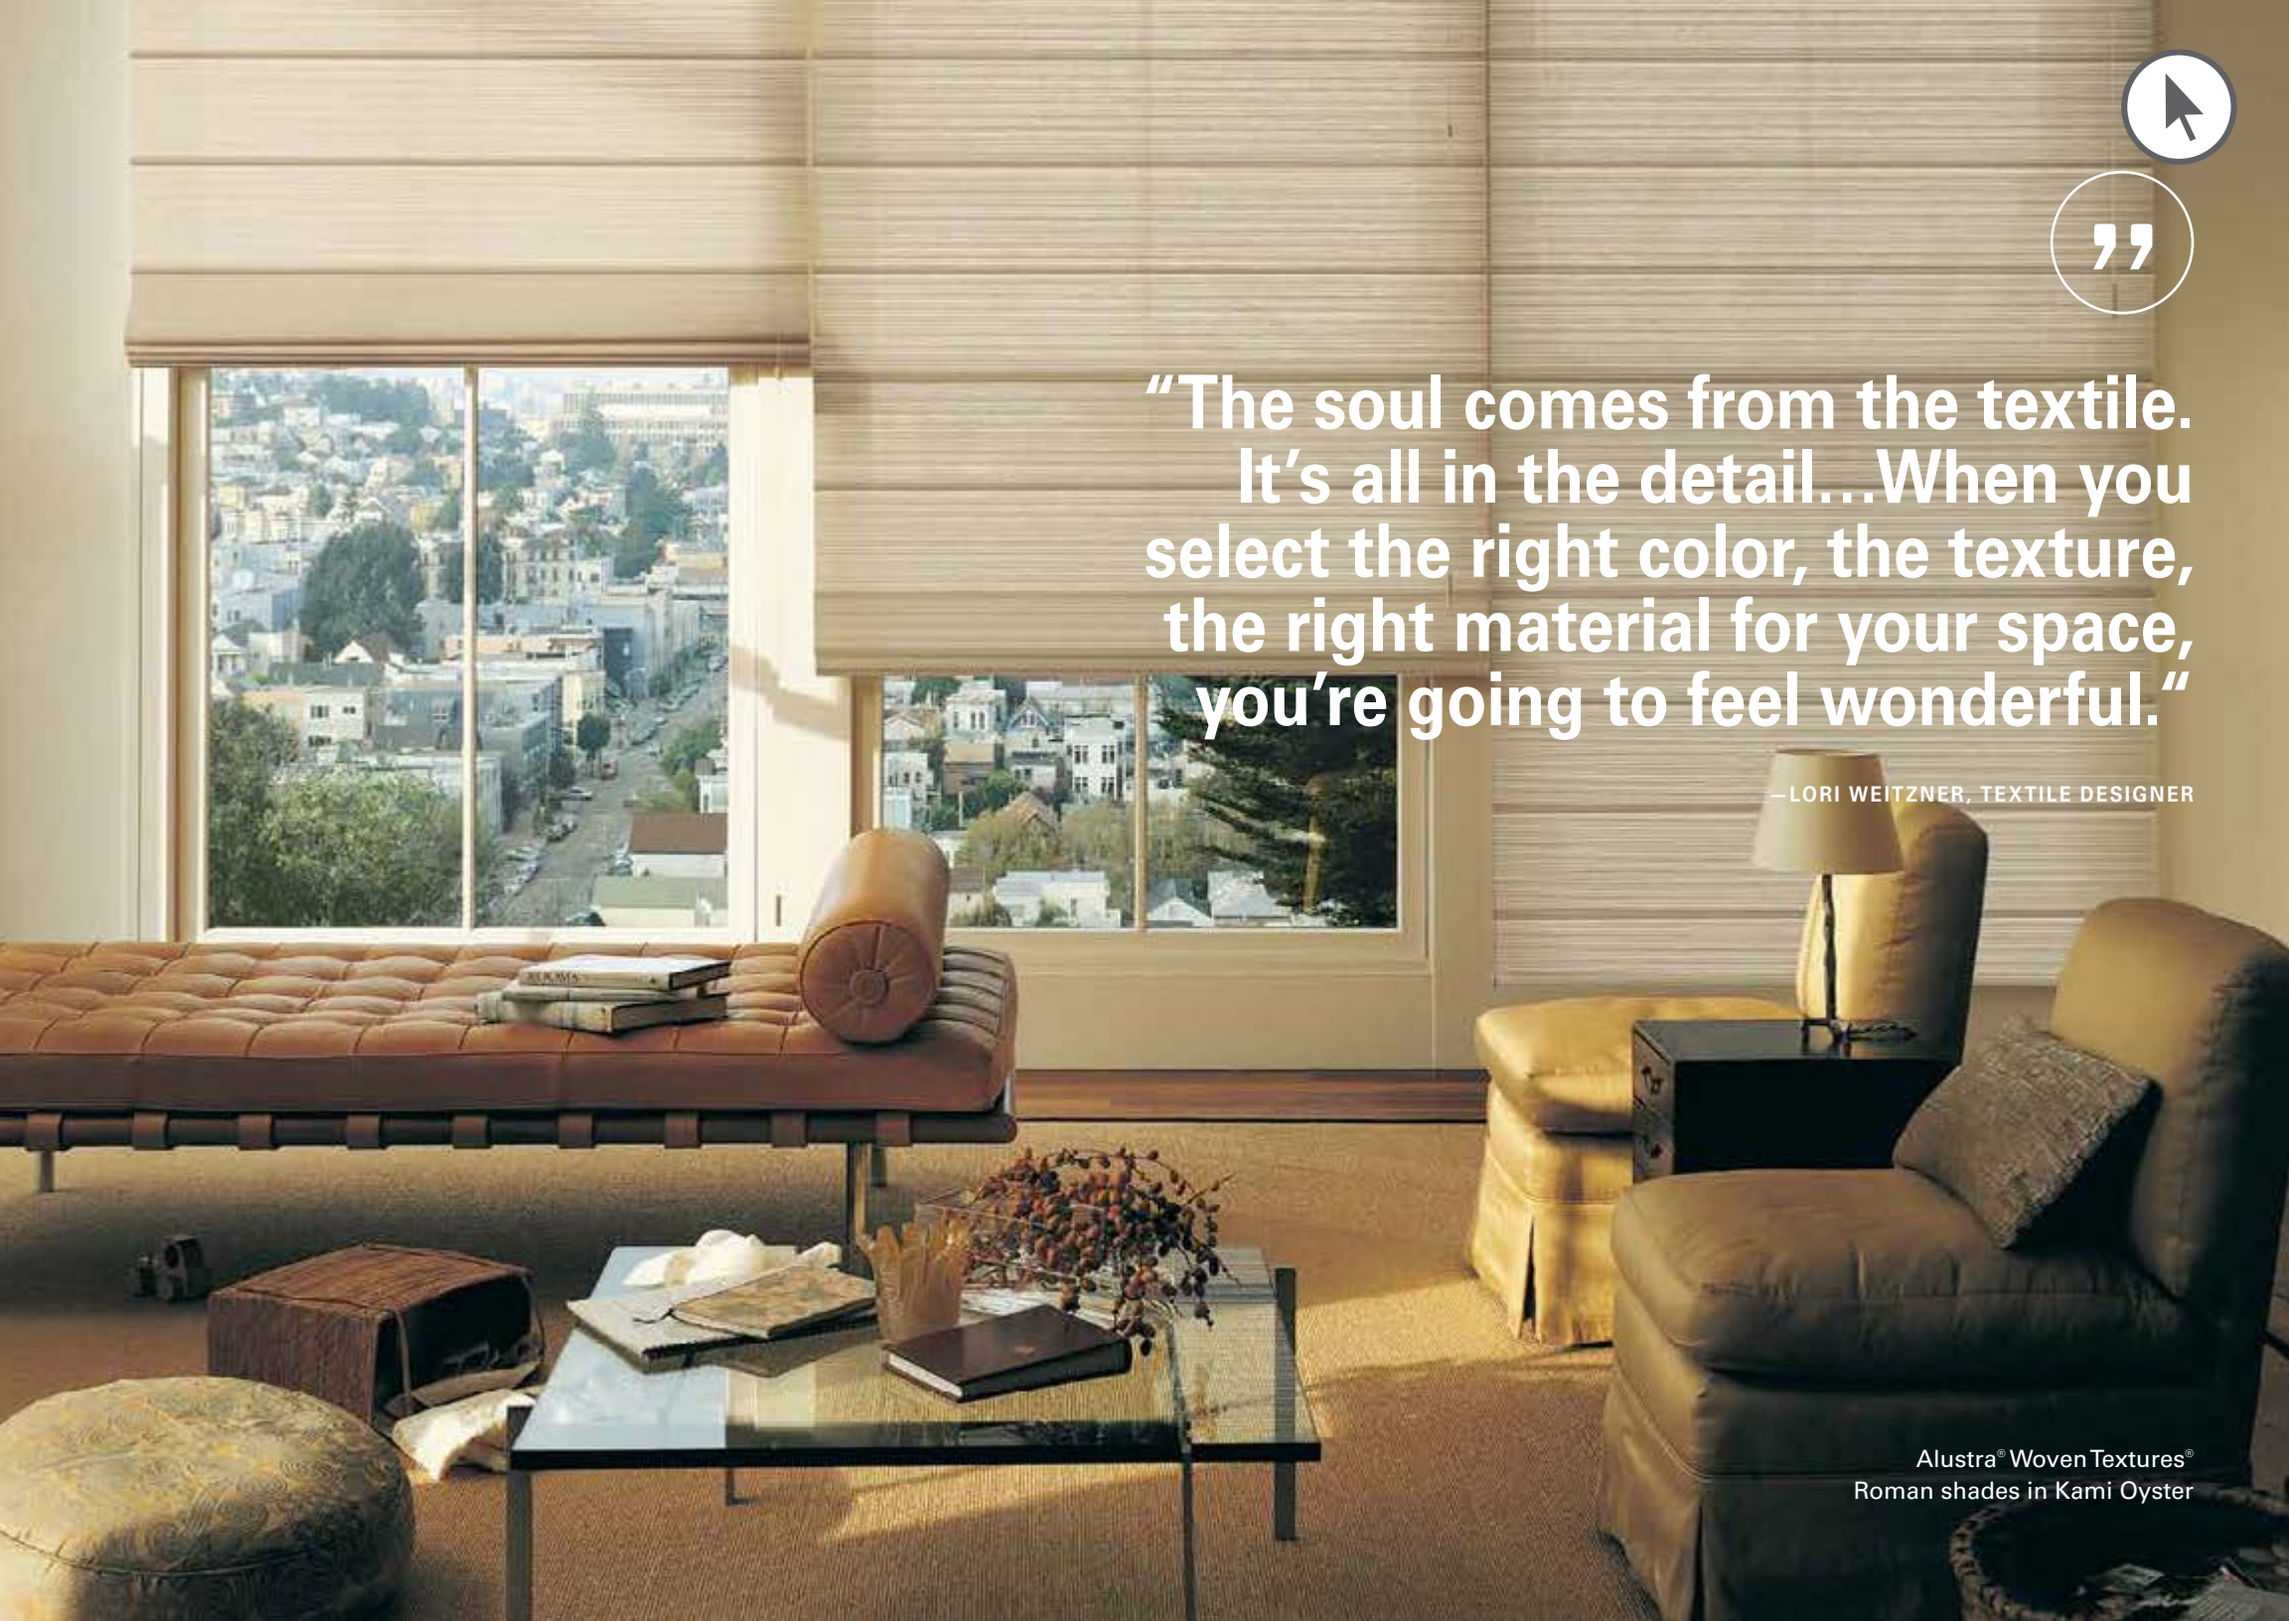
Alustra® Woven Textures®

Alustra® Woven Textures®
Top-Down/Bottom-Up Roman shades
in Primitive Concrete



INSPIRED BY DESIGN™

Created to meet the tastes and expectations of the world's leading designers and most discerning consumers who seek out the best in design. The Alustra® Collection by Hunter Douglas is an exclusive and thoughtfully curated collection of custom window treatments available in design-inspired fabrics, textures, colors and finishes.



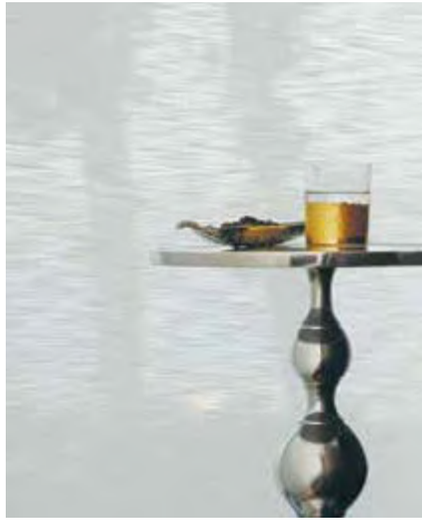
“The soul comes from the textile. It’s all in the detail…When you select the right color, the texture, the right material for your space, you’re going to feel wonderful.”

—LORI WEITZNER, TEXTILE DESIGNER

Alustra® Woven Textures®
Roman shades in Kami Oyster

GLOBAL INSPIRATION. ARTISTIC TEXTILES. DISTINCTIVE DESIGN.

Drawing inspiration from design trends and natural woven artistry, Alustra® Woven Textures® was developed as a thoughtfully curated collection of fabrics that provide a beautiful backdrop for a well-lived life. A sophisticated alternative to woven woods and solar screens, the evocative weaves and unique blends in this highly edited assortment are crafted with techniques as artistic as they are innovative.



Sophisticated Textiles

Elegantly interwoven fibers and metallic threads create luxurious textural fabrics.

Unique Constructions

Intriguing combinations of interesting fibers that uniquely filter light in unexpected ways.

Natural Textures

Organically inspired light-filtering constructions that bring natural textures indoors.

Soft Screens™

All the functional benefits of screen shades, but with the alluring touch of a soft fabric.

“The outcome is more than a way to manage light in a room. It’s about adding to the aesthetic.”

—ELAINE GRIFFIN, INTERIOR DESIGNER

Alustra® Woven Textures® Roller shades and Skyline® Gliding Window Panels in Kami Chicory

ONE COLLECTION. THREE PRODUCTS.

Roman Shades

This refined, classic form takes on new dimension. Crafted with thoughtfully designed materials that highlight the architectural folds of this timeless treatment.

Roller Shades

This simple style combines function with beauty. Artfully blending the simplicity of roller shades with distinctive fabrics for a modern sophistication.

Skyline® Gliding Window Panels

This revolutionary vertical system covers both large windows and doors with sleek panels of beautiful textiles that glide from side-to-side for a contemporary style.

Roman shades in Urban Billboard

DIMENSIONAL STYLE: ROMAN SHADES

Styled for beauty, woven for performance.
A fresh take on a traditional treatment, the textural characteristics of these unparalleled fabrics pair perfectly with the soft, stacked folds of Roman shades.

- A curated selection of exclusive fabrics that not only manage sunlight, but filter it beautifully.
- Elevate this classic style with advanced operating systems including the defining features of the Top-Down/Bottom-Up and independently operated liner design options.
- A range of customized design features complete the shades and complement interior décor in the most perfect way.

Roman shades crafted

with Alustra® Woven Textures®

fabrics create a clean,

architectural, dimensional look.

“The secret to a well-designed room is the selection of truly special products that beautifully weave light and texture together with ultimate functionality and performance.”
—YOUNG HUH, INTERIOR DESIGNER

BRUSHED NICKEL

BRONZE SHIMMER™

Alustra® Woven Textures®
Roller shades in Retreat Pure

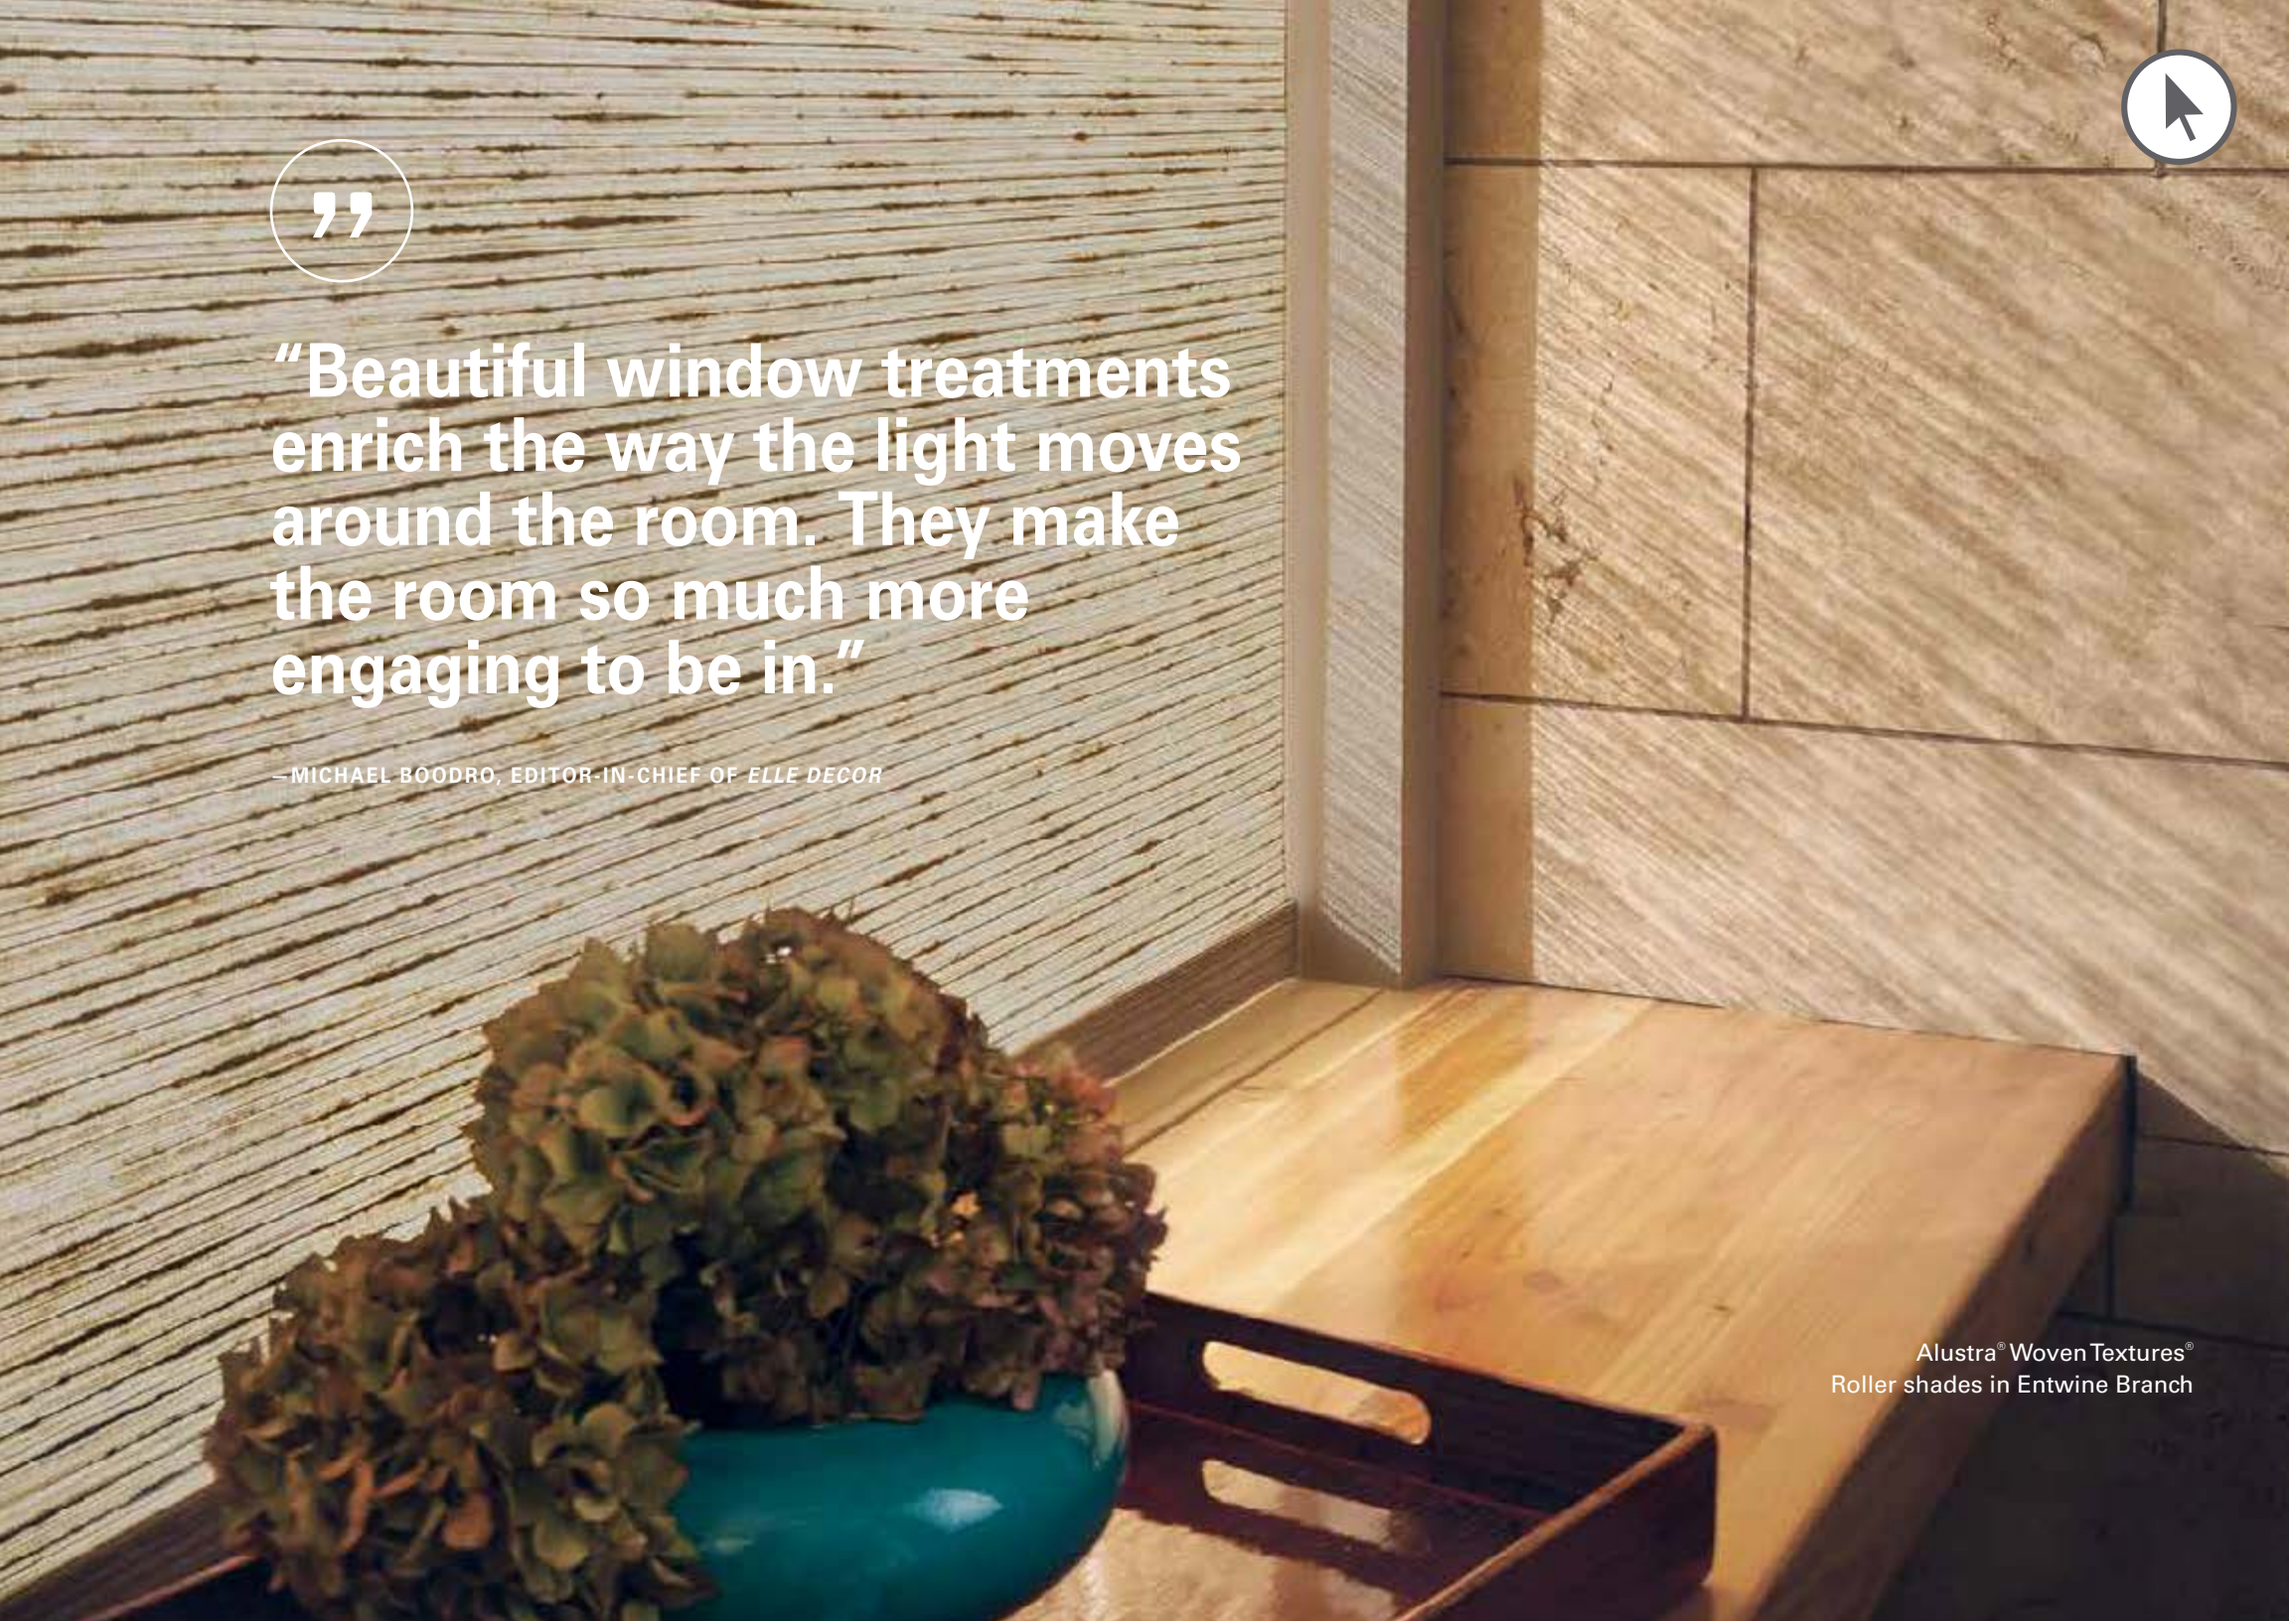
SIMPLE STYLE: ROLLER SHADES

For homes with a point of view.

The unique textured fabrics and woven fibers lend a tactile quality to the sophisticated simplicity of roller shades.

- Evocative Alustra® Woven Textures® fabrics evolve a simple design into an extraordinary modern style that quietly transforms a room with comfort and beauty.
- Fusing form with function, this precise design ensures privacy and light control when needed and unobstructed views when not.
- Innovative features and unique finishing treatments can be customized into a remarkable number of beautiful combinations.

Simple yet sophisticated, Alustra Woven Textures roller shades distill modern design trends for a clean, crisp look.



“Beautiful window treatments enrich the way the light moves around the room. They make the room so much more engaging to be in.”

—MICHAEL BOODRO, EDITOR-IN-CHIEF OF *ELLE DECOR*

Roller shades in Entwine Branch

DEFINING FEATURES

DUAL ROLLER SHADES

Double Your Options

INDEPENDENTLY OPERATED LINER

The Dual Roller system pairs our distinctive fabrics with a rear roller shade as an independently operated liner. Choose from light-filtering or room-darkening liners in a variety of colors.

LIGHT-FILTERING COMFORT

Enjoy gently filtered light through unique textured fabrics by raising the rear roller liner shade completely.

ULTIMATE VERSATILITY

The shade and liner can be raised together or adjusted independently for complete flexibility.

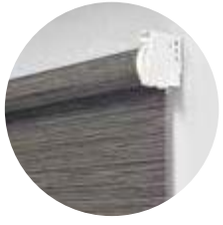
PRIVACY CONTROL

With the rear liner completely lowered, you gain total privacy and your choice of light control.

CUSTOMIZING ALUSTRA® ROLLER SHADES

1 SELECT A FABRIC.

2 IDENTIFY AN OPERATING SYSTEM.



PowerView™ Automation
Features one-touch battery operation for ease of use.

A sleek, minimal and modern system. *Available in two finishes.*

Alustra® Woven Textures® Roller shades and
Skyline® Gliding Window Panels in Origins Raffia

REFINED STYLE: SKYLINE® GLIDING WINDOW PANELS

For design you can feel and style you can sense. Skyline® Gliding Window Panels, constructed with inspired textures from innovative materials, provide dramatic, vertical dimension to cover both large windows and doors.

- Chic coordination that complements Alustra® Woven Textures® Roman and roller shades.
- Smooth-gliding side-to-side operation transforms this design from a series of sleek fabric panels to a discreet stack that maximizes views.
- Exceptional design options and hardware finishes can be personalized to coordinate with interior accents and décor for a dramatic presence.

A refined approach well-suited to more expansive spaces, gliding vertical panels create a striking, contemporary look.
